

# Product data sheet

## OL 90 N

Surface-mounted slimline skylight opener with an opening width of 170 mm

### Product features

- Achieves the full opening width of 170 mm for all leaf heights
- The opening width can be set
- Low space requirement thanks to flat design of the scissor stays
- Integrated leaf locking mechanism in the scissor stays guarantees safe locking
- Unhinging inhibitor and lockable hand lever offer an additional safety
- Lock carrier and additional locks increase safety and air-tightness
- Completely pre-mounted assembly groups facilitate installation

### Application Areas

- Comfortable and daily ventilation of rooms and staircases
- Inward-opening bottom hung windows
- Special forms such as pitched, triangular, round and segmental arch windows can be realised
- Coupling and operation of several windows through corner angle transmission
- Automation through electric linear drive E 212
- Installation on wooden, PVC or light alloy windows
- Frame installation

### Product Data Table
