

Product data sheet

OL 95

Surface-mounted slimline skylight opener with an opening width of 220 mm

Product features

- Achieves the full opening width of 220 mm for all leaf heights
- The opening width can be set
- Low space requirement thanks to flat design of the scissor stays
- Integrated leaf locking mechanism in the scissor stays guarantees safe locking
- Unhinging inhibitor and lockable hand lever offer an additional safety
- The additional lock increases safety and air-tightness
- Scissor disengagement by pressing the release button facilitates window cleaning from inside and outside
- Completely pre-mounted assembly groups facilitate installation

Application Areas

- Comfortable and daily ventilation of rooms and staircases
- Inward-opening bottom hung windows
- Special forms such as pitched and triangular windows possible
- Installation on wooden, PVC or light alloy windows
- Frame installation
